

Dearne Valley EcoVision Expo

Friday 18th March 2011

Dearne Valley College

Manvers Park, Wath upon Dearne, Rotherham, S63 7EW

Your opportunity to attend the area's first ever EcoVision Expo Festival - FREE!

The Dearne Valley is a diverse and dramatic place combining the industrial past and present with a wealth of beautiful and peaceful environments which make up the green heart of the Dearne for the Valley's communities.

We are organising a day of events to promote the area as one of the future's greenest communities in Europe.

Topics such as housing for the future, sustainable technology, energy efficiency, sustainable transport and how to achieve a reduction in our carbon footprint will be covered. There will be case studies from European cities and a construction challenge, applying new technologies, will be carried out on site throughout the day.

Key note speakers include:

- Hans-Jörg Schwander Director of Innovation Academy-Freiburg - The Green City of Freiburg, Germany's Federal Capital in Climate Change 2010, European City of the year 2010 & invitee of the Shanghai World Expo representing Urban Best Practice
- Neil Baxter, Managing Director, Bramall Construction a Keepmoat Company

Site visits include:

- Barnsley's Centre of Excellence for Sustainable Construction & Renewable Energy.

Workshops led by:

- Dr. Josep Garcia Cors (Arquitect- Cum laude) de Petra Inventum i Coop d'idees Arquitectura
- Eduard Otin (Enginyer energètic) Teccon Evolution, sl
- Sergi Urquizu (President de G.A.I.A.)
- Aimee Walshaw CRESR Sheffield Hallam University
