

Dearne Valley EcoVision Expo

Friday 18th March 2011

Dearne Valley College

Manvers Park, Wath upon Dearne, Rotherham, S63 7EW

Your opportunity to exhibit at the area's first ever EcoVision Expo Festival - FREE!

The Dearne Valley is a diverse and dramatic place combining the industrial past and present with a wealth of beautiful and peaceful environments which make up the green heart of the Dearne for the Valley's communities.

We are organising a day of events to celebrate the best of the area and to promote the area as one of the future's greenest communities in Europe.

If your business contributes towards environmental or sustainable development in the low carbon economy, we would like to invite you along to promote your business to the area's top professionals, young people and members of the community.

To secure your stand at the event or for further details contact Ruth Rovira: ruth.rovira@sheffield.gov.uk

T: 0114 2735144 M: 07801543164 Download registration form from webpage and return no later than Tuesday 8th March to ruth.rovira@sheffield.gov.uk
