The Dearne Valley is a diverse and dramatic place combining the industrial past and present with a wealth of beautiful and peaceful environments which make up the green heart of the Dearne for the Valley's communities.

We are organising a day of events to celebrate the best of the area and to promote the area as one of the future's greenest areas in Europe.

We'd like to invite you to drop in and learn more about how you can be more 'green', find out about the EcoVision for the area, view an exhibition of the area's best in business and have your chance to submit your own 'Eco-Vision for the Dearne Valley' - prizes to be won for the best suggestions!

The event will run all day with many activities taking place! Drop in to find out more or visit: www.ddq.org.uk/events_ecoexpo.html Don't miss out! Download registration form from webpage and return no later than Tuesday 8th March to ruth.rovira@sheffield.gov.uk
